

# What's FRESH NOW in 2003

"Puget Sound Fresh" means a product which is grown, raised or harvested within the 12 counties that border Puget Sound. **ASK FOR THEM WHEN YOU ORDER**

This month take an extra look at some very special varieties of local apples, potatoes, corn, Asian pears and tomatoes. These local varieties, many of them heirloom types, offer you a chance to show off our local products for your guests and customers. You can deliver a real difference.....only from you and direct from Puget Sound Farms.

ENJOY the benefits of our "Puget Sound Fresh" products. Your customers will.
